TOUCHDOWN CLUB

1990 STATE CHAMPIONS

SUMMER HEAT COMING SOON

Coach's Corner

Our spring practice got off to a great start. We have about 80 players out for spring football and practices are going well. Hopefully we are creating a lot of competition for positions, that in return will make each player more accountable, which equals a better team. We are taking things very slow right now and teaching more fundamentals and technique at practices.

Help support your son in the demanding time commitment involved in participating in this sport, by assisting them to be disciplined in their attendance throughout the spring and summer. Also, Make sure your son pays his \$75.00 player fee as soon as possible. Fees and money raised helps make our summer program possible by paying for coaches' summer salary and necessary equipment.

Look forward to seeing all of you at our spring scrimmages.

Feel free to contact me anytime with questions or concerns. 833-3614 ext. 670

Coach Greg Thomas

Summer Heat 2010 manuals, schedule are available now

Spring training has begun, and the next phase, and arguably the most important level of preparation for the season is drawing near: Summer Heat. Committing to the weeks of Summer Heat training not only means preparing physically for the conditioning necessary to achieve the level of player excellence expected by the coaching staff, but also developing the character that exemplifies the tradition of Indian spirit.

In addition to player expectations, fees and necessary paperwork are detailed in the manual.

Read over the rules and schedule carefully, and bear in mind that meeting the standards set in Summer Heat results in tangible rewards for players. Missing Summer Heat entirely will mean would-be players must complete a daunting list of physical demands and will impact the amount of playing time for which a player will be considered eligible.

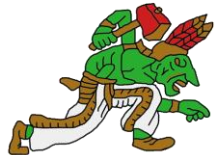

It is a PRIVILEGE, not a right, to play football at Choctawhatchee High School.

IMPORTANT DATES

May 1	Spring Practice Begins
May 5	First day of pads

Concession stand open
Come join us for an exciting start to next year's program!

Sponsors make our program possible

Sponsor chair Lynn Keefe is already off to a great start with \$2,400 in sponsorship donations acquired in just a few weeks! If you know of a business or individual who is interested in supporting the Choctawhatchee High School football program, please contact Keefe or any

TD club member to sign up. Being a sponsor has many benefits, including spirit items and season tickets and advertising opportunities which are described at varying levels of commitment in a brochure available upon request.

Message from the President

Broadening our membership, growing our program to recapture excitement

I can't tell you how delighted I am to be able to serve as the Choctaw Touchdown Club president for the next two years. Last year, our Varsity finished 2nd in the conference and went on to the playoffs for the first time in five years. The last-minute victory over Fort Walton was, without a doubt, the most memorable football moment in recent Choctaw history. This upcoming 2010 season is shaping up to be even more exciting than last year. The success of our team is attributable, at least in part, to the efforts of the Touchdown Club,

which last year contributed more than \$50,000 to the football program. Those funds ensure that the players have the best coaches, uniforms, equipment, and support in our entire conference. This year we have radically changed the membership criteria of the Touchdown Club in order to give more parents, stepparents, and relatives an opportunity to participate in a meaningful manner with the players' development as athletes, students, and citizens. I hope that all of you seize the opportunity to join the Touchdown Club and become a

part of this wonderful program. Our goal is to return the program to the status it once held when virtually every home game was sold out and when the fans and parents traveled en masse to away games. It will take time, effort, and involvement from all of you to reach that goal. But, it is a goal that can and will be attained. Please join us as we make our "Friday Night Lights" the brightest in Florida. Thanks.

Mike Webster
